This year's Acadian Princess is:

Ailie is 7 years old and a Waterville native whose Franco family descends from Quebec, the Gaspé Peninsula and New Brunswick.

Live Music By:

Le Famille LeBlanc has been entertaining for over a decade. They are a group that truly realizes the importance of putting family first and having fun. Much to the delight of their fans, no matter where they are in the world, their music always unites them.

Blistered Fingers is an awesome, fast paced, traditional Bluegrass band that cranks out incredibly enthusiastic music. They deliver high-energy sounds and a truly superb stage show, which is long remembered by those present.
